Hi Alayna,

Hope this finds you well.

I've had some meetings & calls w/ SCDHEC re: LC and The Reedy River.

I would like to schedule a quick call with you to catch up and relay some new insights in source areas.

I'm traveling on the West coast but can make time for a call at your convenience less the time difference.

Perhaps Thu or Fri this week?

Thanks, Dave

Thank you for the update, Alayna.

I'll give my friends at DHEC a call..... who did you talk with?

Ken Taylor, Robert Cole, Henry Porter?

If you could still give me a call I would be most grateful.

Very Respectfully,

Dave

Hey Dr. Hargett,

Good afternoon! I hope this email finds you well. I just got off of a call with SCDHEC. Our comments were sent back to them and we were working together today to clarify comments and discuss what revisions need to be made. It was a very productive call and once we are able to receive the final version of the report back, it will be approved, and sent to our records center. Thank you for your patience throughout the review process. I hope you have an amazing week!

Best wishes,

Alayna Famble
